

Medicare Counseling

Central Ohio seniors and their families now have a convenient new resource for information and individualized counseling to help them better manage their Medicare benefits.

Each month, trained Medicare specialists will be available for private appointments at Wexner Heritage Village's east Columbus campus. The **FREE**, confidential, one-on-one service is being offered in partnership with the Ohio Department of Insurance's Senior Health Insurance Information Program.

Individuals will have the opportunity to discuss their specific situation and will be able to get personalized information and advice about topics including:

- Medicare enrollment options
- Medicare prescription drug plans and their benefits
 - Medicare Advantage Plans
 - Medicare supplemental insurance
- Financial assistance programs for people with limited incomes
 - Long-term care insurance
