

“It just seemed as if the whole world wanted to make her remaining days as comfortable as could be. Every single thing they touched, they touched with professionalism, with understanding, with compassion and, overall, with class.”

- S. R., spouse of a Zusman Hospice patient

About Wexner Heritage Village

Serving Central Ohio for over 60 years, Wexner Heritage Village is a leader in delivering state-of-the-art care and caring that empowers our clients to thrive physically, emotionally and socially; provides peace of mind for families and caregivers; and promotes wellness throughout the communities we serve.

Guided by the values and lessons of the Jewish faith, we openly embrace all faiths and respect each individual's unique spirituality.

As a non-profit organization, our growth and success is due largely to the generosity of our donors. Please consider joining us in making a difference today and for generations to come. Give online at whv.org.

Zusman Hospice

Hospice & Palliative Care
Wexner Heritage Village

Who We Are

Founded in 2001, Zusman Hospice operates with a philosophy of care that is focused on symptom relief, dignity and compassion for individuals with a life-limiting illness, such as heart or lung disease, cancer or dementia. Our mission is to provide the highest possible quality of life, to the end of life, for patients and their families.

Our full-time medical director and associate medical director, as well as their staff of highly skilled and experienced nurses, social workers, chaplains and volunteers, are specially trained to provide end-of-life care that nurtures the body, mind and spirit.

“There are no words to say how much your nurses and nurses’ aides are appreciated. Thank you from the bottom of my heart, and may God bless you all.

- S. C., daughter of a Zusman Hospice patient

A Team Approach

Working closely with patients, families and their healthcare professionals, our hospice team offers a wide range of specialized services that focus on well-being, including:

- 24-hour access to services and support
- Pain management and symptom control
- ‘House calls’ by our hospice physicians
- Regular nursing visits based on patient needs
- Nursing assistants who provide personal care
- Comprehensive social work support
- Spiritual counseling
- Volunteer visits, including massage therapy
- Family education regarding end-of-life care
- Extensive bereavement counseling and therapy programs
- Urban Zen Integrative Therapy (incorporating reiki, essential oils and yoga)

Our In-Patient Unit

Hospice care is typically provided wherever a patient lives, such as a family residence, an assisted living facility or a nursing home. However, when symptoms such as pain cannot be managed in the home, patients may receive care at **Zusman House**, our in-patient unit located on the campus of Wexner Heritage Village. Our facility features comfortable private rooms with ample space for family and friends. Zusman is one of only two hospice providers to operate an in-patient unit in Central Ohio.

Urban Zen

Zusman Hospice is a pioneer in offering patients and their caregivers Urban Zen Integrative Therapy, a complimentary, holistic therapy that incorporates reiki, essential oils and yoga. Zusman Hospice was one of the first health care providers in the Midwest to adopt Urban Zen and has become a training and education center for practitioners from around the country.
