

“Over the past three years, my dad has been in several rehabilitation centers. After his stay at Wexner, he will never go anywhere else. They pay attention to every detail, make accommodations for family, and make the difficult reality of aging parents a far less painful experience.”

- G. U., daughter of Wexner Rehabilitation patient

**About Wexner Heritage Village**

Serving Central Ohio for over 60 years, Wexner Heritage Village is a leader in delivering state-of-the-art care and caring that empowers our clients to thrive physically, emotionally and socially; provides peace of mind for families and caregivers; and promotes wellness throughout the communities we serve.

Guided by the values and lessons of the Jewish faith, we openly embrace all faiths and respect each individual's unique spirituality.

As a non-profit organization, our growth and success is due largely to the generosity of our donors. Please consider joining us in making a difference today and for generations to come. Give online at whv.org.

## Who We Are

As Central Ohio's largest and most trusted source for post-hospitalization care, Wexner Rehabilitation gets you back home to a meaningful lifestyle quickly and at your optimal level of independence.

With more than 60 years' experience and a reputation for excellence and compassion, our services are most often recommended by area physicians and hospitals. And from the minute you come through the doors, you'll see why: Our patients enjoy private rooms, 24/7 nursing care with a low patient-to-physician ratio, as well as therapy available 7 days a week and a highly trained, attentive and caring staff.

**You literally put me back on my feet.**

**- B. G., Wexner Rehabilitation patient**

## Care You Can Trust

Our specialized care and investment in the latest treatments and training mean our patients experience better medical outcomes, shorter than average stays and reduced hospital re-admissions. Our highly skilled healthcare team is trained and experienced in supporting management of chronic disease and your recovery from hospitalization for:

- Surgical procedures
- Joint replacements
- Orthopedic injuries
- Cardiac-related issues
- Cancer treatment
- Pulmonary and respiratory conditions
- Stroke and other neurological conditions

## A Team Approach

Before you even arrive, our **Care Coordination Team** oversees every detail of your admission to Wexner Rehabilitation. We start by coordinating with the hospital discharge planner and verifying your insurance benefits. While you are here, we facilitate communication between you, your family and the members of your health care team, including doctors, therapists, social workers and dietitians, to make sure your medical needs are met.

And, when you are ready to go home, we will make sure you have everything you need for a smooth transition and continued success.

Find out why **96%** of our patients would recommend Wexner Rehabilitation. Call **614-559-5600** today to schedule a tour or discuss your admission.
